

A hand-drawn map showing the intersection of Frederick St. (horizontal), Stanton St. (vertical), and an unnamed vertical street. The map includes various numbered points and letters marking specific locations:

- Frederick St. (Horizontal):**
 - Point **B** is on the left side.
 - Point **C** is at the intersection with Stanton St.
 - Point **D** is on the right side.
- Stanton St. (Vertical):**
 - Point **A** is at the intersection with the unnamed vertical street.
 - Point **D** is at the intersection with Frederick St.
- Unnamed Vertical Street:**
 - Point **E** is at the intersection with Frederick St.
 - Point **F** is at the intersection with the unnamed vertical street.
- Other Points and Markers:**
 - 88** and **22** are near Point **C**.
 - 89** and **42** are near Point **D**.
 - 21** is near Point **D**.
 - 61** is near Point **A**.
 - 82** and **62** are near Point **A**.
 - 84LP** is near Point **F**.

Arrows indicate directions of travel or flow, such as from **B** to **C**, from **C** to **D**, and from **A** to **D**.
